

Center Ice

Pre-Evaluations 2012

If your son or daughter is looking to stay in shape and get some ice time leading up to his/her tryouts Center Ice's pre-evaluation skates are what you need. During these pre-evaluation skates players will be exposed to the area's top coaching. These skates will involve power skating, puck handling, flow drills, as well as game situations. Pre-Evaluations are intended to get your player back on the ice leading up to tryouts/evaluations for the 2012-2013 season. The goal of these skates is to fine tune each player's skills as well as help get them back into hockey shape in order for them to make a strong impression in April.
